Housed in a converted Gothic church with 110 m<sup>2</sup>, this immaculately decorated space has most recently been used as a gallery, but would lend itself equally as well to retail with a great storefront and photography studio.

The interior of the gallery is divided into four open rooms, offers a high level of interior brightness, especially suitable for photography and video with a sense of story interior needs.

( Studio A + Studio B: 700 GBP / Day ex VAT)
